Brazos Unlimited Long Distance Plan: Toll calling is provided by Brazos Long Distance and is available to those residential customers who subscribe to Brazos' residential local service. Unlimited calling scope includes only the 48 contiguous United States. Brazos' Unlimited calling plan cannot be used for long distance access to autodialing, chatroom calls, data devices, fax machines, Internet, mass communication, telemarketing and 900 or 976 type numbers. Brazos reserves the right to discontinue service to customers on the Unlimited Calling Plan that are determined to have long distance calling patterns that are not typical of normal residential usage.
